

ALAN J. FELDMAN

September 15, 1941 – January 20, 2024

The Jack Martin Fund mourns the passing of our dear friend and leader, Alan J. Feldman.

Alan was an inspiration to all who knew him. As the leader of the Jack Martin Fund, for over 3 decades, he was instrumental in raising millions of dollars for the JMF Division of Pediatric Hematology-Oncology at Mt. Sinai. His commitment to giving back taught an entire generation about the importance of philanthropy.

Alan's impact and legacy will live on through all those he touched.
